

Canada Must Not Relax

In Offering Inducements To Settlers From British Isles

The report of the British Overseas Settlement Commission, which was set up by the British government to study the possibilities of settling surplus population from the British Isles in Canada, is a warning to the Canadian government not to relax its efforts to attract settlers from the British Isles.

It is a warning to the Canadian government not to relax its efforts to attract settlers from the British Isles. It is a warning to the Canadian government not to relax its efforts to attract settlers from the British Isles.

Mrs. Robert Hodgson, jun., and her children left on Tuesday morning for Lethbridge, where she will spend the vacation with his father and sister.

Mrs. Meloid left for her home near Morris on Wednesday morning. Before leaving she was presented with a gift of cutlery by the Parents' Teachers' Association, the presentation being made by Mrs. H. A. McPherson, who spoke of Mrs. Meloid's good qualities and her successful teaching during the past two years. Mrs. Meloid replied in a fitting manner, and expressed her regret at severing her connection with this school.

Quite a number from here are planning to take in the Calgary Stampede next week.

Mrs. G. E. Hewson entertained a number of ladies on a comfortable luncheon on Saturday afternoon.
